

IRC REPORT 2024 – SWEDEN

Appx. 25 IRC certs 2024 for Swedish boats, about half issued in Sweden by The Swedish Sailing Federation.

One IRC race in the Baltic, Roschier Baltic Sea Race 2024 which was focus for most of the IRC racing in the area.

- Most Swedish races run under bespoke Swedish system, SRS. The Round Gotland, the offshore Nationals and one or two other run under ORC

Appx 1100 SRS certificates issued and appx 60 ORC with about 20 being DH..

Interest in ORC 2024 up a bit since there was a European Championship in the Baltic(Åland islands)

Interest expressed from the leading club KSSS to hold an IRC high profile event in Sandhamn in the future, possibly some kind of championship. Also welcoming international yachts under IRC are in the plans for the 2025 Round Gotland race..
